Millionaire Plus No 12 BEIDERBECK BD120 – NEW BUILD

Beiderbeck BD120 - NEW BUILD

German build semi-custom fast cruising yacht.

Constructed of sandwich carbon fibre, this 120ft sailing yacht promises to be a luxurious cruiser with outstanding sailing performance.

A revolutionary layout makes this yacht ideal for private as well as for commercial use and provides a high degree of privacy and discretion with the creation of separate Owner, guest and working areas. The advanced control system combined with the carbon fibre furling boom and self-tacking genoa enable the yacht to essentially be sailed single-handed.

Expect the unexpected - a new superfast cruising sailing yacht.

Price: Euros 18,500,000 +10% Commissions Negotiable (BITCOINS ACCEPTED)

- Innovative folding stern platform opens into a beach club.
- A cinema with a 65-inch curved screen.
- Large lounge area on deck level with natural lighting.

“The luxuries of a motoryacht combined with the experience of sailing.”
